Ofsted Report September 2018

Dear Parents and Carers

Mudford Community Infants School has been judged by Ofsted to be a good school. Attached is a report of their findings throughout the 2-day inspection that took place on the 19th and 20th September 2018.

By clicking on the link below you will be able to see pages 38 – 67 of the Ofsted handbook for the grade descriptors that determine the overall judgement.

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/730127/School_inspection_handbook_section_5_270718.pdf

Since the last inspection in February 2009 there have been significant changes in the processes for inspection by Ofsted resulting in there being very few schools now judged to be outstanding. As of March 2017 of the 2,459 Primary schools that were inspected, 74 schools were deemed to be outstanding. Being a good school means that we have many strengths and we have been judged as performing very well. Our community of parents would agree with this.

Since it's last inspection, this school's staff and governors have not changed their ethos and principles of putting the children and community at the heart of what we do. We will always strive for the very best education for the children of this school and aim to make sure they are all happy, confident learners who have a secure grasp of reading, writing and maths.

Senior leaders and school governors will be taking the key findings of this report and using them to further improve our provision. In the meantime, if there are any aspects of the report you wish to discuss then please book an appointment to see me.

Yours Sincerely

Mr Daniel Pope
Head teacher
