Looking for Parent Volunteers!

The children need your help

As you know the children work hard at home practising their counting cards but sadly we don't have enough adults in school to be able to test them and reward all their effort. We are looking for adults who can spare just one or two hours each week or even every other week to help our school community. Full training and support will be given, please speak to your child's class teacher or drop a note into the office if you are able to help.

Best wishes
Daniel Pope
Headteacher
