11th January 2019

Year 2 Chefs for the day - an invitation!

Dear Parent/Carer

Welcome back, we hope that you all enjoyed a relaxing Christmas break, we are very excited to have started our new topic 'Food Glorious Food'. On Monday (14th January) the children will have the opportunity to try a range of food in preparation for planning a menu, please could you let the class teacher know if your child has a food intolerance that we should be aware of. To celebrate all of the learning that children are doing the children and teachers in Year Two would like to invite you to join them at the Mudford Infants Italian Restaurant.

On Thursday 14th February the children will be preparing a small meal for you which will hopefully be a balanced plate of food that is edible! It would be fantastic if you could make it in for 2:10 so that your child can serve their food to you. We will be asking for a small contribution towards the cost of the food. We ask that due to restrictions on space and the amount of food we will be able to serve, only 1 adult attends. Please could you advise your child's class teacher if you have any particular food intolerances so that we can prompt them to plan an appropriate menu for you.

If there are any parents who are in or have experience of working in the catering industry, it would be amazing if you could come in to share your expertise and demonstrate your skills. This could even involve preparing / cooking some food and discussing the process.

Also just to let you know, we are looking for volunteers through the school who could help with counting cards and additional reading so please pass on the message to friends with children in Reception and year one. Finally, owing to staff changes as mentioned previously PE in year two will now be taking place on a Thursday and Friday afternoon.

The children have had a great start back for 2019 and we are looking forward to a fun filled busy year.

Thank you for your support.

Mrs Shale, Miss Cole and Mrs Stow
