Hello everyone,

I would like to say well done to the children in Reception for creating a fantastic science exhibition for parents. From speaking to the children they have certainly enjoyed this project.

I've been blown away by the knowledge and understanding shown by the children in Year 1; they have told me all sorts of wonderful facts about space. The home learning projects look incredible - looks like lots of parents had fun and got very creative too!

Year 2 children put on a superb Italian restaurant for their parents. I think we have some Michelin star chefs of the future in our midst! There's been brilliant learning from all our children this half-term and we have lots more planned when they come back.

Upcoming events

World Book Day - this year World Book Day falls on Thursday 7th March and we are excited to announce that we will be holding a fun packed day to celebrate. Children can come to school dressed as their favourite character to enjoy a carousel of reading treats followed by a book fair the week beginning Monday 11th March.

Mini Marathon - this is a fundraising event where children are sponsored to run the London Marathon carrying out laps of our playground and passing all the famous sites along the way. It will be held in the morning of Friday 26th April. More information to follow.

Fun Run - The provisional date for this event is Sunday 9th June. Look out for all the details in the Summer term.

Summer Fair - Our biggest event of the year will be after school on Friday 12th July. Lots more information will be given for this over the coming months as well
