20th March 2019

Dear Parents,

We are very excited to be introducing School Gateway to Mudford Community Infants School – a parent engagement app that will allow you to order school meals, pay for school trips, and communicate with the school at anytime from anywhere.

All school related communication, newsletters, timetables, attendance figures, dinner bookings and payments will go through School Gateway from 1st April. To stay up to date with what's going on at school make sure you download the app for free. Just search *School Gateway* in your App store and download. This is simple and straightforward to do and strongly recommended.

Your login details will be automatically generated using the contact information Mudford Infants School already has, so please make sure the details we hold for you are up to date. You can check and change these details by sending an email to office@mudfordinf.dorset.sch.uk.

If you have any questions or would like some more information, please see the School Gateway site here: <https://schoolgateway.co.uk/>.

You can also login to the online version of School Gateway via this site if you do not have a smart phone, although we do recommend using the app if possible as it makes it far easier to get hold of parents when we need to.

Kind regards,

Daniel Pope
