7th March 2019

SATS meeting for Year 2 parents only

We would like to hold a meeting to discuss the end of year compulsory testing (SATS) that takes place in year 2. The meeting will be on Tuesday 26th March at 14:15 and this will be repeated on Thursday 28th March at 6pm for anyone who would find this time of day more convenient although it is important to note that this is for adults only. The meeting should take no longer than 30 minutes with time for individual questions at the end.

We aim to explain the process and help alleviate any concerns you may have. The dates for the testing will also be given so that you know exactly when your children will be carrying out the tests. We would like as many parents as possible to attend so that everyone is clear about what is involved for your child during these assessments. It is important to note our aim is for your child to be as relaxed as possible throughout the assessment period.

In the meantime, you can continue to support your child by listening to them read on a regular basis and ask questions about what they have read. This will help them think about what they are reading, engage with the text and help build their confidence.

Thank you for all your support.

Mrs Shale, Miss Cole and Mrs Stow
