Hello everyone,

During our assemblies this week we have been exploring how to be a responsible learner just like Danny Dog. The children have been thinking about how to get on with tasks straight away, going to get things to help them and asking for help if they need it. It would be great if you could support them with this at home too!

Parking

Several parents and residents have brought it to my attention that many parents or carers are choosing to park dangerously in the roads around our school during the busy time of before and after school. Please note that the police have been informed and have been asked to patrol the area over the coming weeks. It is illegal to park your car on school zig-zag lines, double yellow lines and single yellow lines during the specified times. Please all support our community by parking safely, preferably away from the school and walking in.

Name labels

Please make sure your child comes to school with items of clothing clearly named. This includes coats, hats and other non-school uniform items.

Absence from school – Please can we remind parents and carers that if your child is unwell for any reason, a phone call

to the school office is required where you will be able to leave a message.

Messages from the School Council

Amelia, Blake, Teddy L, Lucy T, Zac W, Jasmine and Rose (Riby will be with us next time!) met with me for their very first school council meeting. They play an important role in making sure children's voices are heard on a school community and environmental level. One of their jobs last week was to put up recycling posters around the school that last year's wonderful school council members had designed with Miss Cope and Miss Dennett.

They also had these reminders for all our families:

- If you see litter at the beach or the river, then pick it up as we love our local area. It's beautiful and we want to keep it that way!
- When you visit the shops, try not to forget your shopping bags and no buying new ones!
- Try not to buy fruit and vegetables wrapped in plastic – buy them loose!

Look out for more news, information and messages from our school council in the coming weeks...

Best wishes

Mr Pope
