18th March 2020

Dear Parents / Carers

I would like to thank all of you for your understanding and your support of the community. We are doing our best to make sure that the school day is as normal as possible for the children. However, due to increasing staff shortages your child may have different adults supporting them with their learning and timetables may be adjusted. Presently, we have enough staff to remain fully open but please be aware that if this changes then we may have to partially open the school to allow staff / pupil ratios to be of a safe number. We have a continually updated risk assessment which factors in a considerable number of other measures and considerations when keeping our school open.

If your child is self-isolating then please log on to the website below and select espresso using the username and password. There are lots of activities that you can do under the 'Foundation' and 'Key Stage 1' tabs.

www.discoveryeducation.co.uk username: student10939 password: mudeford

If we do close then teachers are preparing learning activities for your child to complete at home where possible. More information will be provided as necessary.

Look after yourselves and each other.

Many thanks

Mr Pope
