

Make your voice heard

SEND

- Are you a parent or carer of a child or young person aged 0 to 25 with special educational needs or disabilities (SEND)?
- Would you like to share your ideas or concerns about what needs to change?
- Do you want to shape the future for you, your child or young person?

After the recent [Ofsted SEND inspection](#) we want to work with you to improve services and support for children and young people with SEND in Bournemouth, Christchurch and Poole.

You can share your views in several different ways, for example, by joining us at one of our friendly and welcoming online sessions, or, simply sharing your experiences via email. To find out more, please contact Rosie at:
