Hello everyone

We have been thinking about our reasoning skills this week and in particular thinking about what someone has said. It would be great if you could play the 'would you rather' game with your children. For example, would you rather have slugs on toast or a spider leg milkshake? Would you rather it was your birthday every day or Christmas? Would you rather watch your parents do a cartwheel or a handstand? You can then discuss the reasons for their choices.

Best wishes

Mr Pope

Dare to Believe Festival

On Thursday before half term I was lucky enough to take a group of Year 1 and year 2 children to The Grange School for a Dare to Believe Festival. This was a great opportunity for the children to try lots of different activities and games led by the sports leaders at The Grange. The children had so much fun and all came away with huge smiles on their faces and some games to maybe try at play times. Thank you for those children that took part. You did Mudford Infants proud!

Mr Dear

From the Christchurch Information Centre

We would like to say a big “thank you” to your Year 2 children for their wonderful guide to Christchurch! They’ve done a great job highlighting and illustrating the wonderful landmarks that Christchurch has to offer. The leaflets have been very popular and lots of local visitors and tourists have been picking up copies. It is a pleasure to have them out on display in our Tourist Information Centre.

We hope you will pass on our message to the children who kindly created them.

Great work Year 2!

Reception Parents

Please check your email inbox today for your activation code for your child’s Tapestry Account. If you cannot see the email please check your spam folder. Should you have any difficulty accessing the account please contact your child’s teacher.

Very useful website!

A family member from one of our staff is a nurse and has recommended this website that parents may find useful. It is written by local doctors and has lots of information on it about a whole host of things.
