Hello everyone

Thank you to all our lovely children for making Christmas decorations on Monday and to the staff for putting them up after the school; we are getting into the festive spirit! There are lots more exciting things happening over the next two weeks. I really hope all the children can be well enough to be in school right up until the last day of term.

Best wishes

Mr Pope

School Lunches

If you find your child does not enjoy a meal that you have pre-booked for them the school office will be happy to change your order for you. Please email the office with the changes you would like to make. When a child does not eat the meal the parent has ordered for them the lunch team will try hard to persuade them to eat. Sometimes they are unsuccessful in this and in such an instance the lunch team will leave a note in the child's book bag so that the parent is aware they have not eaten much. You may then decide whether to change the choice of meal or send in a packed lunch.

Doodlemaths

We would love to see more children use Doodlemaths more regularly as it will help support their mathematical fluency and understanding. Each week we celebrate the class that collect the most stars and the number of children achieving their target for the week. See if your child can have a go for a few minutes each day.
