MESSAGE FROM MR POPE

Hello everyone

We have had all kinds of crazy weather this week and a blowy, rainy one at the weekend too. Please make sure children come to school in warm coats as we do try to get outside as much as possible.

We have been thinking about our Community Rule to be respectful this week. This includes thinking about people's feelings, valuing other people's ideas and to listen to each other.

We also have spoken about bullying in school this last week and what this means. We helped the children understand that sometimes they will say things in the heat of the moment to another child that they shouldn't have or physically hurt another child when feeling angry. We talked about the difference between this and bullying where a child or group of children are repeatedly unkind to another child. Fortunately, bullying is extremely rare at this school and we continuously promote and teach kindness. However, if your child shares concerns with you then please speak to their teacher at the earliest opportunity as then we can go about putting it right. We want every child to feel happy, confident and safe.

Best wishes
Mr Pope

SLEEPING BEAUTY

Children had a wonderful time watching the M&M Production of Sleeping Beauty which was kindly paid for by Friend of Mudeford Infants.

SNOW!

We went outside whilst there was a little bit of snow.

The children enjoyed experiencing it as many of them said they had never touched snow before.

Not enough for snowballs this time round!
