Dear Parents and Carers

As restrictions are lifting we continue to reflect on our procedures in school and we are delighted to confirm that we will now be starting to send reading books home again.

Hopefully this will really help children to be practising the invaluable 5 minutes a day of reading at home alongside Reading Eggs.

Each week your child will bring home a paper copy of the book they are reading in school or an alternative reading activity appropriate for their developing reading skills. Please encourage your child to read the book to you as independently as possible and talk to you about what is happening in the text.

Once you have enjoyed sharing these books at home your child can then return them to school on Monday morning so that they can exchange it for a copy of the new book each week.

Every child will also have the chance to bring home a book of their choice or an appropriate activity to expand their reading experience. You can choose to change these as frequently as you would like to, keeping them for a little longer if your child is enjoying the book or changing it for a new one every day.

We hope you really enjoy hearing how well your child is progressing with their reading and as always please don't hesitate to speak to your child's class teacher with any thoughts or questions.

Happy Reading

Best wishes

Mrs Ainsworth and Mrs Shale
