Hello everyone,

Congratulations to the many children who completed the Easter Reading challenge. The children came back very proud of themselves that they found time each day to read. It is wonderful to see our children develop and grow their love of reading but remember they very much need their parents' guidance, encouragement, enthusiasm and support along the way.

It has been lovely to see children playing happily together as a year group this week. Our lunchtime team have been exploring with Mrs Butler and Mrs Jennings what is needed for positive play and children enjoying their free time socialising, being active and having fun. We also support the children in the important value of kindness as they grow and develop their skills and understanding of making and maintaining friendships. Please do let your child's class teacher know if they need support with this as getting on with each other is not always straightforward and we want them to be as happy as possible in school.

Best wishes

Mr Pope
