Dear Parents/ Carers,

Important End of Year Information for Year 2

We just wanted to start by saying how proud we are of all of the children's incredible effort they have put in to their learning over the past half term. They have been busy planting and looking after our sunflower, tomato and runner bean plants. Although the plants are not quite ready for our stall, the children have been preparing for the big sale by making signs and practising giving change. We will be in contact regarding the date of the plant sale when all the produce is ready. It will take place one day after school from 3pm.

Please find attached our final Year 2 project overview for our Art Beat project. Thank you for your donations of recycling and pebbles etc., the children are really excited for the artist visit on Friday 11th June. Please do continue to collect pebbles and small shells for us over half term.

Over the course of the next 7 weeks, all of the children will be taking part in a basic First Aid course, which is a new statutory requirement within our teaching of Personal, Social, Health Education (PSHE).

Every child in the year group has a line to learn for our end of year performance. We will be sending a laminated copy of their line to practise over half term.

End of year performance dates:

In keeping with government guidance for schools and subsequent risk assessments (all subject to change), we will be holding two performances across two days. Please ensure you only attend your child's class' performance unless otherwise agreed with Mr Pope. We are not yet able to tell you if one or two adults per child will be able to attend but as soon as this is made clear we will provide you with this information.

Owls: Wednesday 14th July at 9am on the school sports pitch

Badgers: Thursday 15th July at 9am on the school sports pitch

Leavers assembly dates and times:

To celebrate their time with us at Mudeford Community Infants school we will be having a leavers' assembly which you are invited to attend on the day allocated for your class below. We will let you know how many adults can attend in due course.

Badgers: Wednesday 20th July at 9am on the school sports pitch

Owls: Thursday 21st July at 9am on the school sports pitch

As always, if you have any questions, please don't hesitate to get in contact with us.

Have a restful half term and let's keep our fingers crossed for some sunshine.

Best wishes,
Miss Dennett and Mr Dear
