Unless avoidable through illness, please make sure your child is in school and on time every day.

## National Sports Week – ‘Move It Week’

Next week all of the children will be taking part in National Sports Week. Throughout the week the children will be working on improving a skill that each class will agree upon. At the end of the week the children will talk about how they practised the skill through the week, how they felt and how they feel they have improved. We aim to have a fun and active week with all the children taking part in lots physical activities. Please feel free to join in at home and share any of the physical activities that your child does outside of school and we will celebrate these at school too.

Be prepared for some tired children at the end of the week!

**Home Learning: 5-10 minutes a day is the way and then you can go off and play!**
