Hello everyone,

There is only two weeks left to go until the end of term! All credit to the children for keeping their energy levels for learning up and for happily getting stuck in to the school day. We were lucky enough today to have a group of musicians carry out a workshop with the children and then put on a performance in a whole school assembly. Hopefully they will be now inspired to learn to play their own instrument; it could be getting noisier in your household sometime soon!

And finally.... Come on England!

Best wishes

Mr Pope

Break the Rules

Attached with the newsletter is a flyer all about Break the Rules day on Friday 16th March. Children can get the opportunity to pay to break the rules outlined to raise money for the school. We look forward to seeing what they decide to do!

Meet new class teacher

The children in Reception and Year 1 will be meeting their new class teacher next week and visiting the classroom. Whenever there is change this can cause some nerves and anxiety which is perfectly natural. However, our caring staff are here to support the children and make sure they settle in well in September and prepare them for a busy year of learning.

September information for start times and entrances

From September the school day will be from 8:45 – 3:00 for all children with registration at 8:55 meaning there is a 10 minute window to drop off your child. Therefore, if your child has a sibling at the Junior school you can drop them off there first to then be here in time for registration. Children in Year 2 will use the main entrance and wait on the school playground to enter their classroom. Children in Year 1 and Reception will use the entrances on Queens Road.
