We hope that your child remains healthy and well in the coming months. Please notify the school office at the earliest opportunity if they are not able to attend school for whatever reason.

Dear Parents

A very Happy New Year to you all! This week has flown by and the children have come back keen and eager to learn which is great to see. Children in Reception will be learning through the topic of Medieval Mayhem and we have already seen lots of castles being constructed and banquets being prepared in roleplay. Our children in Year 1 had a special Space Dome visit today to hook them into all the awe and wonder that their project Destination Unknown will bring. There has been an exciting start to the term for Year 2 also with food tasting and a special visit from a local chef to explore all sorts of culinary delights!

We hope that your children have a fantastic Spring term and please do let us know of any home learning they carry out from the topics and projects as well as how you might be able to help support the learning in school. Your expertise is very much welcomed.

Best wishes

Mr Pope

ParentLine 5-19

A confidential text messaging service for parents and carers of children aged 5-19.

Message a member of the School Nursing team
for confidential advice on: 07312 263131

We can help with:

- healthy eating
- toileting
- development
- behaviour and more.
- weight management
- Sleep
- hearing

We might inform someone if we were concerned about your safety but we would usually speak to you first. Your messages are stored and can be seen by other health care staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate message back to confirm we have received your text. Text will only be seen between (9am and 4pm). If you need help before you hear back from us contact your GP, nearest walk in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). To prevent the health professional from sending messages to you, text STOP to our number. Messages are charged at your usual rates.
